2. Working on a business event:

- The Action Bar gives the Action set possible.

The screenshot displays a document management system interface. On the left is a navigation menu with options like 'DB By Date', 'DB By Post', 'DB By Group', 'DB By Sender', 'DB By Reason', 'Dialogue Repository', 'Document Repository', 'Case Repository', 'Agent', 'Go to Masters', and 'Exit'. The main content area shows document details for 'Document No.: raj/10/1/1001'. A top navigation bar contains 'Gather', 'Transfer', 'Admin', and 'Create'. A dropdown menu is open, showing 'Info.', 'Speak/Conf.', and 'Probe'. A box labeled 'Action Bar' points to this menu. Below the document details, there are sections for 'Document General Details', 'Document Basic Details', 'Document Categorization', and 'Document Dialogue Details'. A box labeled 'Dialogue' points to the 'Dialogue' tab in the 'Document Dialogue Details' section. A zoomed-in view of the 'Dialogue' tab shows a list of dialogue entries with columns for 'Opinion on Doc', 'Opinion on Doc Family', and 'Opinion on Doc Case'. A box labeled 'Dialogue' also points to this zoomed-in view. The browser address bar shows 'http://localhost/KAStaging/document/KMDocumnetMng/MCOpening.aspx?Param=2&mid=14&pid=16#'. The browser title is 'Local intranet | Protected Mode: Off' and the zoom level is 75%.

3. The process of taking an Action

The screenshot displays a software interface with several components and callouts:

- Information Panel:** Contains fields for Priority (Normal), Activity, and checkboxes for 'Allow EA' (checked) and 'Follow UP'. A 'Give Directive' section includes the text 'Please supervise personally'.
- Message Body:** Displays the text 'You have a humid environ. Please confirm.' with a rich text editor toolbar above it.
- Name Selection Wizard:** A dialog box titled 'Name Selection Wizard for DelhiPrez-Ops' with a list of levels (Level02(MD), Level03(CEO), Level04(Ex-VF), Level05(VF)) and a 'Filter By Level' dropdown. Below it is a table with columns: Company, GroupName, Community, Level, Division, Community, Job name, Personal, and OnLine. The table shows data for 'Company: TABA' with sub-groups 'Erope' and 'Mktng'.
- Knowledge Application:** A chat window titled 'Knowledge Application' showing a conversation between 'linda' and 'junnark'.
- Callouts:**
 - 'Follow Up button alerts person's EA. EA button keeps recipient's EA informed of event.' points to the 'Follow UP' checkbox.
 - 'User advises his exchange under multiple heads before taking Action.' points to the 'Give Directive' section.
 - 'System offers Name wizard for routing based on structure' points to the 'Name Selection Wizard' dialog.
 - 'Presence icon enables use of Collaboration tool. Discussion saved in addition to Dialogue.' points to a green presence icon in the table.
