HNet - The Hispanic / Latino(a) Employee Network community > Overview

Welcome to the HNet BRG community on DeloitteNet!

**A message from Os Mata and Henry Ventura, HNet National Leaders, regarding Hispanic Heritage Month**

Hola amigos! Welcome to the Hispanic Network Business Resource Group (HNet) Community – and thank you for celebrating Hispanic Heritage Month with us.

Hispanic Heritage Month, which is September 15 to October 15, celebrates the culture and contributions of our U.S. colleagues who trace their roots to Spain, Mexico and the Spanish and Portuguese speaking nations of Central America, South America, and the Caribbean.

In honor of the month, we encourage you check out our community site and read some of our [members' stories on how they see themselves at Deloitte](#). While the stories focus on a variety of themes and experiences, each one demonstrates how each of us can make a difference in strengthening our inclusive environment. We encourage you to share comments after reading our colleagues' stories.

We also encourage you to **join our HNet Community** by clicking on the link on the left. Participation is open to everyone, regardless of background or origin. Membership enables you to connect with other HNet members across the country, build your network, develop leadership skills, and share common experiences.

In addition to focusing on professional development, recruiting, retention, community relationships and networking, HNet members are asked to advise management on issues of importance to Hispanic professionals. Some of our recent accomplishments include the following:

Strong attendance at the 2010 ALPFA National Convention in Orlando – leading the Big 4 with more than 100 professionals from Deloitte in attendance.

Sponsored "Aim High – Overcoming Obstacles to Become a Leader" professional development event which featured Dorothy Alpert as the keynote speaker and also included a panel with several Deloitte leaders: Rajiv Basu, Rebecca Amoroso, Eva Seijido, and John Zamora.

Hosted our second HNet Leaders Meeting in Orlando, FL, during the ALPFA Convention.

We hope you'll consider joining the HNet Community in DeloitteNet. It's as simple as clicking the "Join this community" link to the left. And be sure to read our [colleagues' stories](#) on how they see themselves at Deloitte.

Saludos cordiales,
