# Personality

**The Quick & Dirty Personality Orientation Test**

**(Based on the Five Factor Theory of Costa & McCrae)**

Please indicate the statement that accurately describes you for each of the following orientations:

a) STRESS ORIENTATION
   a) I am at ease most of the time
   b) I express some concern from time to time
   c) I worry frequently

b) INTENSITY ORIENTATION
   a) I am usually calm
   b) I am occasionally heated
   c) I have a quick temper

c) RESILIENCE ORIENTATION
   a) I rebound from setbacks rapidly
   b) I take moderate rebound time
   c) I takes me a long time to rebound from setbacks

d) SOCIAL ORIENTATION
   a) I prefer working alone
   b) I occasionally seek out others
   c) I prefer working with others

e) ACTIVITY ORIENTATION
   a) I prefer being in a single place
   b) I maintain a moderate activity level
   c) I prefer to be physically active

f) LEADERSHIP ORIENTATION
   a) Prefers being independent of others
   b) Accepts some responsibility for others
   c) Enjoys responsibility of leading others

g) TRUST ORIENTATION
   a) Is sceptical of others
   b) Is somewhat trusting of others
   c) Readily trusts others

h) WELL BEING ORIENTATION
   a) More interested in own needs
   b) Interested in the needs of self and others
   c) More interested in other's needs

i) INTERPERSONAL ORIENTATION
   a) Welcomes debate
   b) Seeks resolution
   c) Seeks harmony

j) ACHIEVEMENT ORIENTATION
   a) Satisfied with current level of achievement
   b) Needs some additional achievement
   c) Craves even more achievement

# Skills

A basic form for volunteers to list all their skills as well as the kind of support they would like to offer.

- I know how to:
  - Follow First Responder Protocol
  - Evacuate a building
  - Conduct remote surveillance
  - Use a fire extinguisher
  - Administer First Aid
  - Rescue a drowning person
  - Administer Cardio Pulmonary Resuscitation (CPR)
  - Use an AED (automatic electronic defibrillator)
  - Rescue people caught in an avalanche
  - Use a firearm
- I am willing to volunteer:
  - Remotely
  - In Person
- My phone number:
- My email:
- My age:

# Emergency

A list of possible scenarios that need to be modelled in order for HANA to be able to generate rapid response teams.

- Location
- Kind of Emergency
  - Hostage Crisis
  - Terrorist Attack
  - Loss of Plane
  - Tsunami
  - Earthquake
  - Hurricane
  - Avalanche
  - Biological Weapons
  - Fugitive Search
  - Missing People's Search
  - Nuclear containment

SAP HANA → Action
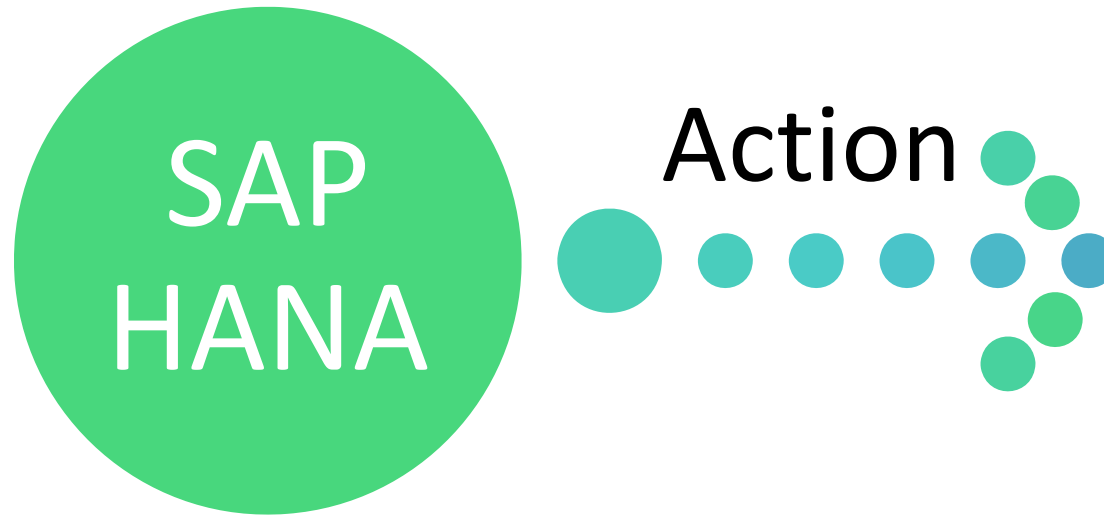

"Never underestimate the power of a small group of committed people to change the world. In fact, it is the only thing that ever has." ~ Margaret Mead
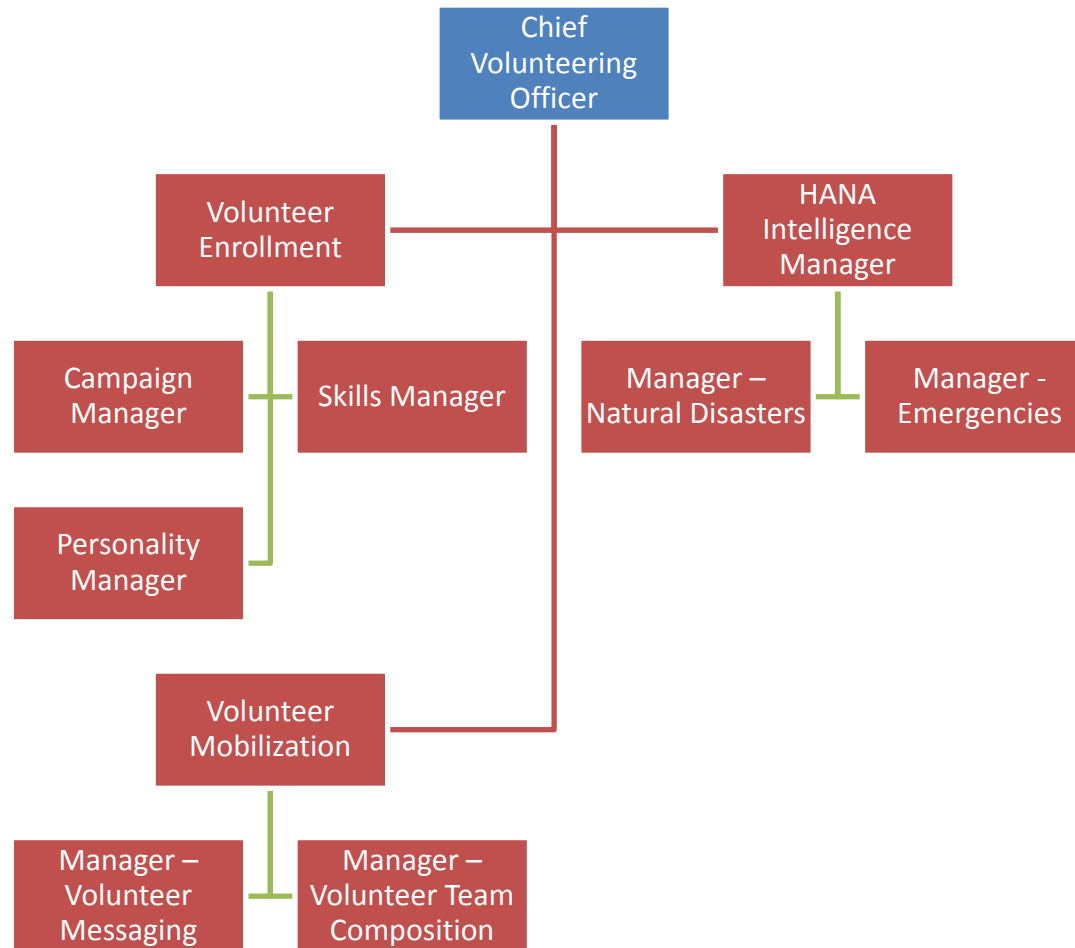

Personality + Skills + Emergency
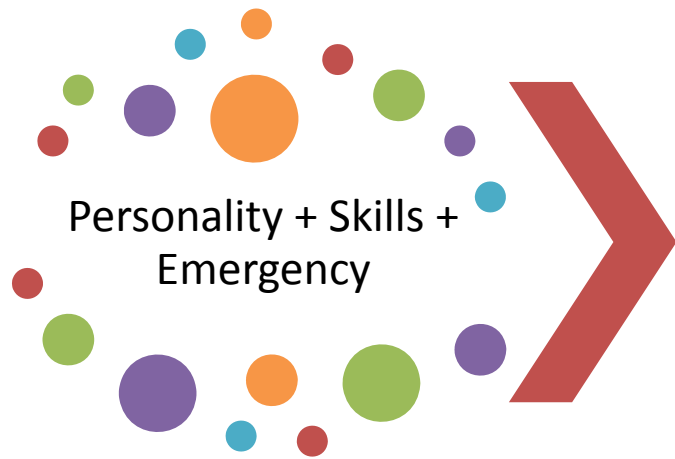

SAP HANA

"Please report to <rendezvous point> immediately"

"Please check email for emergency task"

"First Aiders needed at <location> right now"
